FORT BENNING – A wildfire is burning in the post's southeast quadrant. There is also a second wildfire burning in the impact area on main post.

Fort Benning personnel have kept the fires contained.

No injuries or structural damage have been reported.

Additionally, prescribed burning is being conducted near the post's eastern boundary. Prevailing winds from the southeast should keep smoke on the Installation and away from sensitive areas and neighboring communities.

For more information, call the Public Affairs Office at (706) 545-2238. After duty hours and on weekends, call (706) 545-2218.
